

From the Mountain to the Sea

Year 5 - Working At Home – Summer 2 – Week 1 - Commences on 1st June 2020

You will need to send the coloured activities to us as pictures/scans/documents/photo etc... this can be at the end of the week or after each activity.

We would love to see anything else you are doing as a family – baking/making/creating whatever it may be...

We understand that for some families this might be a lot to achieve, please only do what you can and contact us for any support during this time.

| | Monday | Tuesday | Wednesday | Thursday | Friday |
|--|--|---|--|---|--|
| English Spelling Shed and reading | Writing – identifying themes -Look at the images on page 1 of today's resources. What theme links all the pictures? -Now look at page 2 – is the link still the same? -Listen to the clips on the Merdon VRC https://merdon-junior-school.primarysite.media/ (scroll to Year 5). Imagine how they might look and what they might be doing. Annotate each picture on page 3 with words (see example) - 5 minute write - listen to clip on the VRC. Imagine something flying through the air. Now write for five minutes – remember you can decide what form the writing takes – description, narrative, poetry. | Reading and writing – to infer and understand poetry Read the poem – see English resources for Tuesday. Look up any words you are unsure of. Read aloud, think aloud – see resources If you are able to print the poem then you can write/draw around it as you would in class, if not then just complete the task in your book. | Writing – imitating an author Using the poem you read yesterday as a model, you are going to write your own version. You need to write about flight – either the joy or the terror! As per the original you need to have 14 lines with a rhyme on alternate lines (see examples) | Writing – publishing your completed work You are going to publish your finished poem. Either write it up, using your best handwriting, or type it up. Then it needs to be illustrated. | Reading Complete the reading comprehension (see resources) For additional reading comprehension see https://www.bbc.co.uk/bitesize/articles/zn8bgwx |
| Maths Daily Rockstars | Work through either the Green or Yellow across the weeks, it does not matter where you start! Whitrose have changed the layout of the website – please scroll DOWN to find the correct week. You will need to print the worksheet from the SCHOOL WEBSITE as they are no longer available via Whitrose. | | | | |

| | <p>Y4 – Summer term Week 5 lesson 2</p> <p>Equivalent fractions (WC 18/5)</p> <p>https://whiterosemaths.com/homelearning/year-4/</p> <p>Extra practice at BBC bitesize</p> <p>https://www.bbc.co.uk/bitesize/articles/zfc98xs</p> | <p>Y4 – Summer term Week 5 lesson 3</p> <p>Equivalent fractions (WC 18/5)</p> <p>https://whiterosemaths.com/homelearning/year-4/</p> <p>Extra practice at BBC bitesize</p> <p>https://www.bbc.co.uk/bitesize/articles/zb8wqp3</p> | <p>Y4 – Summer term Week 5 lesson 4</p> <p>Fractions greater than 1 (WC 18/5)</p> <p>https://whiterosemaths.com/homelearning/year-4/</p> <p>Extra practice at BBC bitesize</p> <p>https://www.bbc.co.uk/bitesize/articles/zbdj7nb</p> | <p>Y4 – Summer term Week 6 lesson 1</p> <p>Add two or more fractions (WC 1/6)</p> <p>https://whiterosemaths.com/homelearning/year-4/</p> <p>Extra practice will be on BBC bitesize on 1/6/20</p> | |
| Wider Curriculum | <p><u>GEOGRAPHY</u></p> <p>Let's start our new Geography Unit. During this term we will be studying rivers aiming to learn and answer our enquiry statement:</p> <p>'ALL RIVERS ARE THE SAME.'</p> <p>See the Geography Resources for Lesson 1.</p> | <p><u>SCIENCE</u></p> <p>You are going to re-cap some of the science we have covered in Year 5.</p> <p>Materials – mixing, dissolving and separating</p> <p>https://www.bbc.co.uk/bitesize/articles/z6pyvk7</p> <p>Follow the link to BBC bitesize (science lesson 29th April). Watch the clips and complete activity 1.</p> <p>You will need to check with an adult before completing activity 2.</p> | <p><u>MUSIC</u></p> <p>Using instruments and voice, compose your own lockdown rap. Within this you can include your own lyrics, have a backing beat and other accompanying elements created using a range of things in your home. See what noises different objects make. See the resources from our Kingswood rap unit. Record on paper and film if you wish.</p> <p>Please gain permission before using the optional backing track</p> | <p><u>GEOGRAPHY</u></p> <p>Continuing with rivers.</p> <p>See Geography Resources for Lesson 2.</p> | <p><u>FRENCH</u></p> <p>Practice French vocabulary you previously used at school.</p> <p>See resource online resource.</p> |
| | | | | | <p><u>RE</u></p> <p>Research what RITUAL and ROUTINE mean.</p> <p>What are the similarities and difference between them? What examples can you think of that you do linked to these words? Do you know any ways that these words might link to religious practice?</p> <p>Create a mind map recording all your thoughts.</p> |
| PE/Active | These are active ideas to do across the week – If you're able to play outside, ride your bike or take your dog for a walk then do that. | | | | |
| | <p>PE with Joe Wicks @9am</p> | <p>Use or design your own alphabet workout. Spell out any word you like.</p> <p>(Resource online)</p> | <p>Just Dance</p> | <p>Make your own obstacle course or circuit. Use any household items.</p> | <p>Let's run a marathon! As we can't at school, you could try at home. Measure the garden to see how many laps or do it with family and track the distance on a device. If you do, let us know how you are getting on with it. Run a bit daily/weekly.</p> |
