

### Norval Morrisseau

**Dates:** Born 14 March 1932 Died 4 December 2007

**Nationality:** Canadian, Sand Point Reserve, near Beardmore of Ojibwa ancestry (Native North Canadian)

**Education:** Self taught artist . In 1950 he became ill with TB and it was during his stay in hospital that he began to paint.

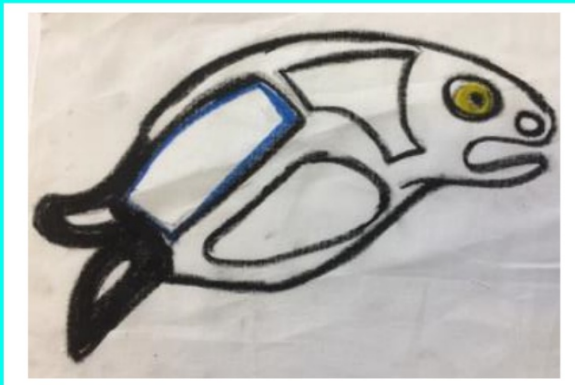

**Known for:** Painting / Woodlands Style- is a genre of painting among First Nations and Native American artists.

**Notable work:** In 2005 he was the first Native artist to have a solo exhibition. His Ojibwa name, which appears in syllabics on his paintings, means "Copper Thunderbird") who originated the pictographic style.

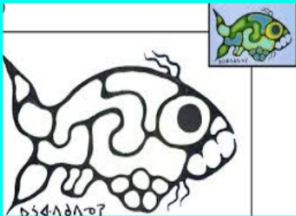

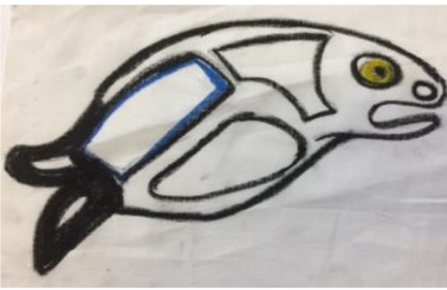

Do an outline of animal in sketchbook using oil pastel

Then using the watercolours paint in the colours-make them vibrant.

You can use alternative methods too - use what you have at home!
