

Year 5 English

Week 5 – Asia Week

English this week coincides with the rest of the school. Most of the activities are the same across the year groups. Tweaks have been made to suit the year group expectations and outcomes.

Friday Lesson:

Today you are going to write a diary/reflection in the life of an orang-utan or scientist who works with orang-utans.

Consider:

What is your day like?

What do you see?

What are your worries?

What frightens you?

What do you hope happens?

Watch the clip to give you more information:

WAGOLL - here is the start of a day in the life of.

Over the years the rainforest has diminished. Life for the orang-utans has got worse. Habitat destroyed. Habitat burnt. Habitat forgotten. Working with orang-utans for some many years means I have seen the characteristics and habits of them change. The population of them has shrunk due to deforestation for palm oil, amongst other reasons.
