

Thursday Resources – 9/7/20

Follow the instructions and complete the activities

Activity 1:

Yesterday you created a woodland/forest.
Your woodland now has a building within it, just like many
fairytales.

What building would it be? What will it look like? What
colours? What is it made of? What is the shape of it?

Draw and annotate with descriptive vocabulary. See example.

Activity 2:

Now draw your version and add it to the pop up setting.
