

From the Mountain to the Sea

Year 5 - Working At Home – Summer 2 – Week 3 - Commences on 15th June 2020

You will need to send the coloured activities to us as pictures/scans/documents/photo etc... this can be at the end of the week or after each activity.

We would love to see anything else you are doing as a family – baking/making/creating whatever it may be...

We understand that for some families this might be a lot to achieve, please only do what you can and contact us for any support during this time.

PE/Active	These are active ideas to do across the week – If you're able to play outside, ride your bike or take your dog for a walk then do that.				
	PE with Joe Wicks @9am	Use or design your own alphabet workout. Spell out any word you like. (Resource online)	Play Connect 4 fitness (Resource online)	10 minute Shake Ups	Let's run a marathon! As we can't at school, you could try at home. Measure the garden to see how many laps or do it with family and track the distance on a device. If you do, let us know how you are getting on with it. Run a bit daily/weekly.
Wider Curriculum	Science Follow the link to BBC bitesize to continue our recap of topics https://www.bbc.co.uk/bitesize/articles/zvxthbk How does this link to our current topic of Rivers? Use the following website to revise the water cycle. https://www.science-sparks.com/make-a-mini-water-cycle Make your own water cycle using either of the methods shown.	PSHE/Art – Refugee Week See the resource booklet. We are doing these with everyone in school this week too!	GEOGRAPHY Lesson 5 – Geography Resource	Music/Art Who is your favourite music artist? What is your favourite song? Read the information on the artist Kandinsky. Now listen to your favourite song. Respond to it in the style of Kandinsky. Create a mini profile on the song/artist to go alongside the artwork.	FRENCH Practice your French greetings on the link - SUPERMOVERS Watch the clip a few times on directions . Then have a go at the French tasks.
