

Following directions

In this clip, Lilli and Thibault are lost. They are looking for a café where Ulysse is playing his guitar.

They have to ask for and follow directions.

Où est? – where is?

À gauche – left

À droite – right

Allez tout droit – Go straight on

Le premier rue – the first street

Le deuxième rue - the second street

Listen for these words and phrases:

Excusez moi – excuse me

Au revoir - Goodbye

Merci – thank you

Bonne journée – Have a good day

Can you give directions around this town?

e.g. A to G

Tournez à droite, tournez à droite, allez tout droit.

Have a go at simple directions. You could direct someone around a room using the instructions!
