

## Tuesday – Reading Comprehension Questions

*You can answer these questions verbally to someone at home or you can write the answers in your book.*

- What is the problem in the story?
- What lulls the man to sleep?
- What do the animals do while the man is sleeping?
- What do all the animals have in common in this story?
- What did the animals do after the man woke up?
- How did the man view the rain forest differently after he awoke?
- How is the problem solved?
- Why do you think the man decided to leave the great Kapok tree alone?
