

# Summer Project - Week 1

## Activity 2

### 'Research Project'

Find out about an African Country of your choice.

You **could** research some of the following geographical features:

- name
- flag
- population
- climate and weather
- landscape
- capital cities and cities
- time zones
- facts
- famous people from there
- food
- neighbouring countries
- anything else you want to...

This can be displayed however you want. Some ideas include:

- poster
- fact file
- brochure
- weather report
- news report
- booklet
- film
- animation
- anything else you like....

Enjoy!

We can't wait to see and hear all about the countries.
