Listening practice

Yrs 5/6

Écoutez! Répétez

- In lessons you will hear this instruction – Listen! Repeat
- Listening to a language is very important. You learn to speak before you can read or write!
- Here is a link to lots of clips all about Ben and his friends in Marseille.
You have seen some of them already.
After each film, I will put up some reading or writing practises for you to do.
LISTEN TO EACH CLIP A FEW TIMES BEFORE DOING THE WRITTEN TASK.
Don't rush through. There is a lot to take in from each clip.
