

Bonjour tout le monde! Hello everyone!  
Comment ça va? How are you?

If you have been working on the French work and need some more, you may wish to have a look at the Oak Academy work online.

- 1) Type Oak Academy into Google and go to online classroom.
- 2) Click on Year 7, then on French.

- 3) There are currently 8 lessons online. You can have a go at 1 and 2 and stay within your comfort zone! I know because Alex had a go at school and was brilliant! Lessons 3 & 4 are also accessible.

- Where is France?
- Introducing yourself.
- Understanding a conversation in a café.
- Taking part in a conversation in a café.

I know it says Year 7, but have a go. I have faith in you!

À bientôt,  
Madame Murray
