

French Year 6

How much can you remember from
the last 4 years?

Bonjour! Ca va?

If the answer to the question on the front is not very much, then you are in luck.

- Within these pages lies the secret to success in MFL at KS3!
- You have plenty of time to revisit lots of things we have covered in years 3,4,5 and this year.
- If you want to start at the beginning(it's a very good place to start...)

you may want to look at the Year 3,4 or 5 pages first to warm yourself up!

- If you are allowed to use You Tube, **and please check with a trusted adult that you are allowed first**, type in the name above and you will find lots of songs.
- You will recognise some of the songs.
- They cover colours, numbers, family members, days of the week, months and lots more.

There's nothing like a song to help you remember words, phrases structures.

Bonne Chance! Good Luck!
