

## **Merdon Junior School**

### **Year 6 Home Learning**

#### **Shuan Tan**

Your child should pick **one task** over the next four weeks to complete. We hope that this is an enjoyable experience for you and your child!

It is your child's choice which activity they choose. They should spend some time to be creative and thoughtful in their approach and presentation. We would ask that Home Learning should be completed with care, and this should be reflected in what they present/create. Please feel free to give your child support and ideas with these tasks. Throughout this half-term the children will be exploring, reading and writing works based on the stories and illustrations of Shaun Tan. The children are already incredibly engaged with the author/illustrator and texts and we would like them to base their home learning projects on him/his works. More information on Shaun Tan can be found here: <http://shauntan.net/>
