

Curriculum Overview

Year 4

Summer 1 2019 Tour of Britain!

This term we are looking at the geography topic of Tour of Britain. We will look at the different locations around the UK and the geographical features of the landscape. Alongside the geography work the children will also be learning about healthy eating and about different foods from different locations.

English

This term's English will be based on Danny Champion Of The World. Through this text, children will learn about a variety of linguistic devices and how to write from different perspectives. We will also be recapping grammar and punctuation learnt last term.

PSHE

We will be exploring the topic 'Keeping Healthy'. This will address the ideas of what we need to do to keep ourselves clean and healthy. We will also consider the different ways of ensuring we have a healthy diet and enough exercise.

Maths

We will begin this half-term by starting our decimals topic this will include learning about the relationship between fractions and decimals and how to multiply and divide by 10 and 100. We will use this knowledge to help us to solve problems in measuring, distance and capacity. We will also learn to use and interpret bar and line graphs. Alongside these topics we will also continue to practise our times-tables.

Science- Electricity- we will be learning how we use electricity in our everyday lives. The children will have the opportunity to make circuits to light up bulbs or make motors work. We will also be learning about how circuits can be interrupted and the effect that has on the device.

ICT- We will be carrying on with our animation work which we started last term that was based on our Australia topic.

Physical Education (PE)

In our indoor session we are doing gymnastics

In our outdoor session we are learning to play cricket.

**Please remember kit-
inside & outside!**

R.E- This half term we will be having an RE week where we will be learning about Sikhism. This will include a trip to the Sikh Gurdwara.

DT – Year 4 will be learning about cooking using different foods from around the UK.

Music- This term we are learning the keyboard with Listen 2 Me.

French: My sporting life – describing past times and hobbies
