

Merdon Junior School

Year 3 Home Learning

Flint and Fire

These tasks have been compiled using the children's own suggestions, so we hope that this is an enjoyable experience for you and your child! Your child should pick one task over the half term to complete.

It is your child's choice which activity they choose. They should spend some time to be creative and thoughtful in their approach and presentation. We would ask that Home Learning should be completed with care, and this should be reflected in what they present/create. (No bigger than A3 please). Please feel free to give your child support and ideas with these tasks

- Spend a day in the outdoors. Can you make your own shelter? What will you eat? Make a photo diary to share with the class.
- Make a Stone Age tool.
- Visit a Stone Age/Iron Age location and write about your visit or make a photo diary. (Stonehenge or another local location)
- Create a stone model/collage of yourself! Bring a photo of it into school.
- Write a letter as though you are living in the Stone Age/Iron Age which is being read by someone now.
- Make a Stone Age or Iron Age scene in a shoe box
- Create a pattern made out of stones (Take a photo of it and bring it to school)
- Make a model of what a Stone Age/Iron Age village might look like.
- If you have an idea that is not on the list, then please use this option to complete an activity of your own choice!

Any electronic projects must be emailed to the office using the following address: admin@merdon.hants.sch.uk

We are unable to accept work on memory sticks. Thank you.

We can't wait to see these and we look forward to sharing them with the class. We would ask that all Home Learning is completed and handed into class by 11th October so that children have the opportunity to vote for their favourite. The children's' work will be on display during our parent outcome on Thursday 18th October.
