

Year 5 Homework

Spellings and Maths

Homework is set on a Thursday and due the following Tuesday.

Homework is tracked and viewed by the class teacher online.

Spellings will be tested on a Wednesday in school. Spellings can be learnt and practiced in any way and there are some great ideas online.

Maths homework will follow similar learning in class. Jottings and workings are highly encouraged when the children are using Mathematics because they do this every day at school.

Year 5 Spellings – Spring 1
