

Year Group: 6 Name of project: You're So Vein Term: Summer 2		
Our learning overview This half term we will be busy planning for our end year production, through music and drama. We will be learning about the heart and how our nutrients get to where they need to be.	Summary of current hook: The Hooke will involve the children identifying what in inside them in life size models of the human body. .	Summary of current celebration: Our production of Pride of the White Star will be out final piece to share with the parents.
Learning Journey Science- Your so vein- How do nutrients get to where they are needed in the body? Art and design- Linked to Beetle Boy-we will be looking at a range of artists and designers inspired by the image of the beetle Design and Technology- Fair ground rides linked to our Maths investigation Music and Drama- Our production of The Pride of the White Star RE- Humanism- Is it important for Humanists to live a good life? Is it important for you to live a good life? What might the differences/similarities be Maths and English What are the current curriculum links to Maths and English? English-Our focus for English this half term will be linked to our production. We will be exploring the Opening Doors Unit The Spooky Scientist to write narratives We will also adapt the script to meet the needs of all the children, creating new lines and extending some scenes. Maths-We will be continuing build on our Maths skills through Let's Think in Maths, problem solving activities. We will be continuing our Theme Park Maths to investigate whether the theme part we have planned will make a profit of a loss.		RSE Growing and Changing identify the changes that happen through puberty to allow sexual reproduction to occur; Know a variety of ways in which the sperm can fertilise the egg to create a baby; Know the legal age of consent and what it means.
		Outdoor Learning We will build in outdoor learning opportunities link to our science work. We will also be planting in the Year 6 bed and harvesting some seasonal produce.
		E-Safety This will be ongoing through computing lessons and curriculum time. We will make sure the children are aware of how to keep themselves safe online as they move onto secondary school.
<p style="text-align: center;"><u>This term our IGNITE is Evaluator</u></p> <p style="text-align: center;">Children can identify at least one thing which has gone well in their learning Children will recognise and say how they feel about their learning, making an assessment about how the task is going. Children will be confident enough to make a constructive comment about others' work. Children will be able to say what would help them to do the task better next time Children will use reflection time wisely and understand this could inform future learning</p>		Key dates 24.06.23-Merfest 26.06.23-Transition day 28.06.23-Sing up Day 27.06.23-Sports Day 04.07.23-Reserve Sports day 12.07.23 and 13.07.23 End of year production. 20.07.23-Leavers party 21.07.23-Woodmill Activity Centre 21.07.23-Break up for Summer.
