

**This week we have been learning to simplify, compare and order equivalent fractions.**

We now have the capability to set the children specific tasks to complete on Mathletics that are closely linked with our learning each week.

The task set this week is 'Simplifying Fractions' and can be found within the Fraction tab on the home page.

Next week will be focussing on the four times tables.

All the children logged onto Mathletics as part of our Rock Star Times Tables launch day and should all now be able to log in.

The website is [www.mathletics.com](http://www.mathletics.com).

Parent feedback

## 3 TIMES TABLE - 100 SQUARE

1	2		4	5		7	8		10
11		13	14		16	17		19	20
	22	23		25	26		28	29	
31	32		34	35		37	38		40
41		43	44		46	47		49	50
	52	53		55	56		58	59	
61	62		64	65		67	68		70
71		73	74		76	77		79	80
	82	83		85	86		88	89	
91	92		94	95		97	98		100

Use your first 10 numbers to help you write out the 3 times table.

$3 \times 1 = \underline{\quad}$      $3 \times 2 = \underline{\quad}$      $3 \times 3 = \underline{\quad}$      $3 \times 4 = \underline{\quad}$      $3 \times 5 = \underline{\quad}$

$3 \times 6 = \underline{\quad}$      $3 \times 7 = \underline{\quad}$      $3 \times 8 = \underline{\quad}$      $3 \times 9 = \underline{\quad}$      $3 \times 10 = \underline{\quad}$
