# Curriculum Overview Year 4

"Achieving The Best For All"

## Summer 1 2018 Tour of Britain!

This term we are looking at the geography topic of Tour of Britain. We will look at the different locations around the UK and the geographical features of the landscape. Alongside the geography work the children will also be learning about healthy eating and about different foods from different locations.

### English

This term's English will be based on Danny Champion Of The world. Through this text, children will learn about a variety of linguistic devices, writing from different perspectives and finally how to write their own playscript based on the story. We will also be recapping grammar and punctuation learnt last term.

### PSHE

We will be exploring the topic 'Keeping Healthy'. This will address the ideas of what we need to do to keep ourselves clean and healthy. We will also consider the different ways of ensuring we have a healthy diet and enough exercise.

### Maths

We will begin this half-term by re-capping decimals and learning how to multiply and divide by 10 and 100. We will use this knowledge to help us to solve problems in measuring distance and capacity.

We will learn to use and interpret bar and line graphs.

Alongside these topics we will also continue to practise our timestables.

**Science-** Electricity- we will be learning how to make circuits to light up bulbs or make motors work.

**ICT-** We will be using Google maps to learn about the UK. Creating Word Clouds extend knowledge of places in Great Britain.

"Achieving The Best For All"

**R.E-** This half term we will be having an RE week where we will be learning about Sikhism.

**DT** – Year 4 will be learning about food.

**Music-** This term we are learning the violin with Listen 2 Me.

**French:** My sporting life – describing past times and hobbies

### Physical Education (PE)
