

## **Merdon Junior School**

### **Year 3 Home Learning**

#### **If you go down to the Woods...**

Your child should pick one task during the next few weeks of learning to complete to a high standard. These tasks have been compiled using the children's own suggestions, so we hope that this is an enjoyable experience for you and your child!

It is your child's choice which activity they choose. They should spend some time to be creative and thoughtful in their approach and presentation. We would ask that Home Learning should be completed with care, and this should be reflected in what they present/create. Please feel free to give your child support and ideas with these tasks

- Make your own sculpture outdoors- bring in a photo and an explanation of what you have done and how you made it.
- Research an artist and produce a fact file.
- Write a poem about a piece of Art by Andy Goldsworthy.
- Make and record a piece of music using only natural sounds or materials e.g. running water, bird songs etc.
- Make a piece of art using recycled materials and bring in a photograph
- Make a poster all about Light and Shadows.
- Create a miniature land in a shoe box.
- Find out about famous sculptures and present your findings for the class.
- If you have an idea that is not on the list, then please use this option to complete an activity of your own choice!
- Respond to a chosen piece of classical music through dance, drama or art

We can't wait to see these and we look forward to sharing them with the class.

Please bring in by Monday 9<sup>th</sup> July.
