

Merdon Junior School

Year 5 Home Learning “It’s All Greek to Me”

Your child should pick **one** task over the half term to complete.

It is your child’s choice which activity they choose. They should spend enough time to be creative and thoughtful in their approach and presentation. The IGNITE value for this half term is Team Work. We would ask that Home Learning should be completed with care, and this should be reflected in what they present/create. Please feel free to give your child support and ideas with these tasks.

This half term, you could:

- Write a Greek Myth
- Make a Greek Amphitheatre
- Explore the clothing and armour worn by the Ancient Greeks
- Produce a film on Greek life.
- Investigate the similarities and differences between Ancient Greek times and today.
- Design and make a Greek Pot – what story will it tell?
- Create a new Olympic Game!
- Produce a fact file on Ancient Greece.
- Investigate the usage today of the Greek Alphabet.
- Research lifestyles of Ancient Greek people
- Compare the climate between Greece and the UK and write some observations from the results
- If you have an idea that is not on the list, then please use this option to complete an activity of your own choice!

We can’t wait to see these and we look forward to sharing them with the class. We would also like to keep some longer so that we can display them in and around the school for all to see!

Due in: Wednesday 16th May 2018
