

Collective nouns

Your homework task is to find out what **COLLECTIVE NOUNS** are. If you have access to the internet, this is a great way to get information- if not, ask your parents, teachers, or consult books!

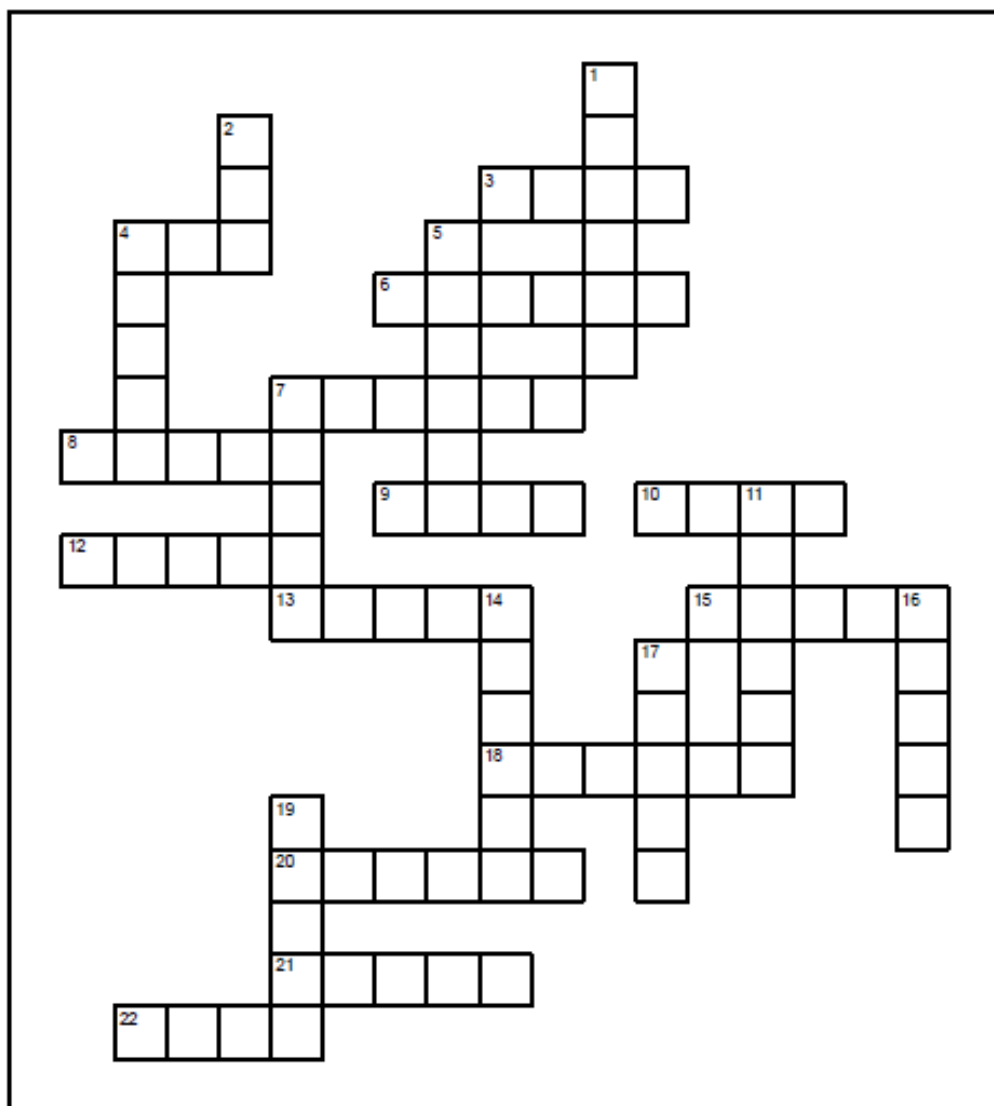

Try a dictionary if you can!

Once you have found some and understand what they are make some of your own up for the nouns in the table below. Be, as always creative.

Nouns	Collective noun
Polar Bear Explorers
