

This week we looked at a Day Explorer article about the Elgin Marbles. (See Homework page for a copy of the article. <https://merdon-junior-school.secure-primariesite.net/d5a7c79dcd604651af0c5a58c6c8fb8c/edit/>)

Share the article with an adult. What is their opinion? Tell them yours.

Now compose a letter to the British Museum or The Greek Minister of Culture explaining your point of view. (Use some Yr 5/6 spelling words.). Try and include a balanced argument.

You can research this topic further on the internet.

Do you agree with 'Finders keepers, losers weepers'?
