

# English Homework

Set 20.09.17 Due in 25.09.17

Next week we will be looking at the suffixes *ible* and *able*.

Below are some of the words we will be practising next week. During the week we will do various activities including crosswords, so knowing the definitions of the words will help.

## Word list

enjoyable	avoidable	understandable	reasonable
predictable	changeable	manageable	adorable
noticeable	reliable	possible	terrible
invisible	responsible	edible	

We will also be looking for rules to help us remember whether words end in *ible* or *able*

Below are some resources to support the learning of the rules.
