

English Homework

Set 29.11.17 Due in 04.12.17

This week we have been drafting Non Chronological reports about the International Space Station.

Next we be editing and then redrafting before finally publishing the reports to share with our audience in Year 6 and parents at our outcome.

For your homework this week we would like you to research and write a paragraph about the British astronaut Tim Peake. This will be added to your published report.

Write no more than 150 words and include the following, modal verbs, relative clauses and parentheses-all of these we have looked at in class this week.

For our word work we have been looking at the use of the apostrophe both for contraction and possession.

We have looked at examples where the apostrophe has been used incorrectly or not at all!

Can you find any examples on your travels where the apostrophe has been used incorrectly? There are several examples in Chandler's Ford!

Write them down or photograph them and say what's wrong with them. Bring them in to share and discuss on Monday.

Parent feedback.

Next week we will be rocking and rolling to our 9 x tables
