

English Homework

Set 06.12.17 Due in 11.12.17

Singular: one

Plural: more than one

Next week we will be looking at conventions for making a singular noun into a plural.

Below are some nouns.

bus	cup	baby
balloon	box	fish
party	patch	word
worry	try	hiss
school	lunch	city
potato	meal	rope

What happens when these words become plurals? Can you come up with a rule?

What happens with words like, deer, fish, salmon, and sheep? (Can you find any more like this?)

What can you say about these words, trousers, scissors and tweezers? (Can you find any more like this?)

And lastly how, about these- man, mouse, tooth, ox, child, louse?

Can you create a poster about singular nouns becoming plurals? The best ones will get 2 raffle tickets and will be put on display.

Be creative

Parent feedback.

Next week we will be rocking and rolling to our 11 x tables
