

Geography - Summer 1 Lesson 3

Fluency - Print out the map on the next page or draw a sketch map of your own (see below)
Without looking anything up, see how much of the information in red you can add.

- 7 Continents
- 4 Oceans
- Equator
- Northern Hemisphere
- Southern Hemisphere

Nb Use the last page (or an atlas if you have one) to check your work. Add in any you missed.

The World

**World Map
with Continents**
