

In Someone else's shoes...

1.) A friend gets upset when you play with someone else.

 <p>I might think...</p>	<p>I might feel...</p>	 <p>They might think...</p>	<p>They might feel...</p>
--	------------------------	--	---------------------------

2.) A new child in the class won't join your game, even though you've asked.

 <p>I might think...</p>	<p>I might feel...</p>	 <p>They might think...</p>	<p>They might feel...</p>
---	------------------------	---	---------------------------
