

Addition and subtraction (Medium)

Remember to show your column method clearly on the squares.

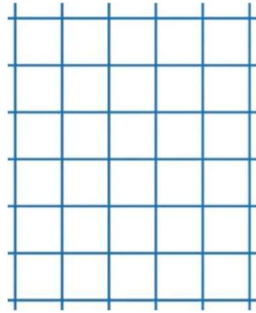

e.g.

	3	1	4
+		2	6
	3	4	0

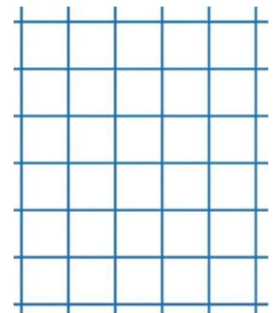

439 + 52

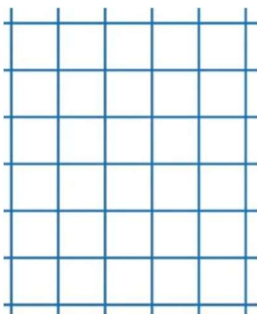

245 + 292

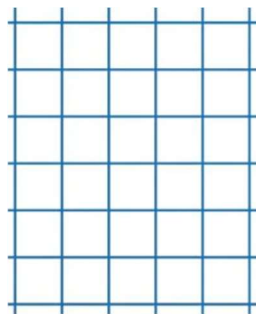

647 + 136

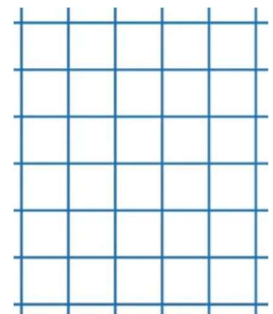

266 + 652

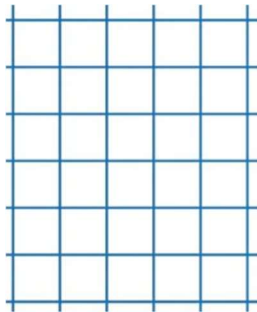

565 + 349

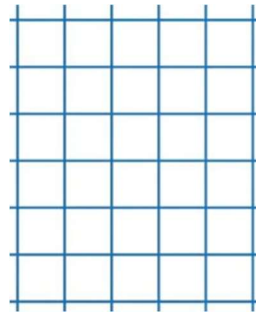

565 - 328

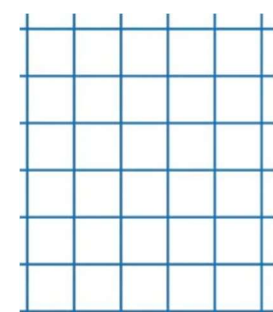

354 - 127

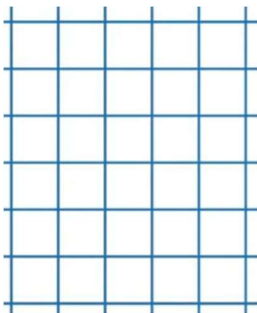

409 - 364

468 - 292

631 - 280

Now check your answers with the answer sheet.
