

Merdon Junior School

Year 6 Home Learning Autumn 2 World War Two

Your child should pick one task over the next half term to complete. We hope that this is an enjoyable experience for you and your child!

It is your child's choice which activity they choose. They should spend some time to be creative and thoughtful in their approach and presentation. We would ask that Home Learning should be completed with care, and this should be reflected in what they present/create. Please feel free to give your child support and ideas with these tasks.

- Timeline of World War 2
- Fact file about a relative that was in WW2 or a significant person
- Local history project about the history of the Spitfire 4
- Create a propagander
- Rationing and comparisons - money
- Different jobs in WW2 - services (army, navy etc)
- Design a tank/plane (model) and write a description
- Interview a relative(s)
- Comparison about services, weapons and vehicles
- Research an army camp (model)
- Research Codebreaking and create a challenge
- Read one of the recommended books from the list on the website and write a review.
- Write a play
- Women in WW2
- Communications and censorship
- Diary of an evacuee
- If you have an idea that is not on the list, then please use this option to complete an activity of your own choice!

We can't wait to see these so get working on your piece! We would ask that all Home Learning is completed and handed into class by Monday 16th December so that children have the opportunity to vote for their favourite. You will have the opportunity to view the entire year groups Home Learning during the Parent Outcome on Thursday 19th December at 9.15-10.15. We look forward to seeing the children's hard work.
