

IN ASSOCIATION WITH
BABY NECESSITIES

Our Give a Gift Campaign aims to give underprivileged children aged 1 - 11 years a birthday present to ensure they do not go without on their special day.

How can you help?

We ask for your generous support by purchasing a gift via our birthday Amazon Wish List. This list is updated with gifts tailored to the child's interests each time we receive a new referral.

Raise some all-important funds to help keep our Give a Gift campaign running. Without valuable funding and monetary donations we cannot purchase the added extras to make a birthday special.

Did you know, some children have never received a gift or a cake for their birthday?

Volunteer your time to put together birthday bundles according to our requests. Volunteer forms can be found on our website.

Check out our Facebook page for all of our latest news and updates

How does it work?

We take third party referrals from social services, health visitors, teachers and other charitable groups to provide children across Southampton and surrounding areas with the birthday they deserve. Our Give a Gift referral form can be found on our website.

"We provide more than just a gift, we help to make a birthday memorable."

Romsey, SO51 9DG

Who do we help?

Any child up to the age of 11, living in the Southampton area and who comes from an underprivileged background is entitled to be signed up to our Give a Gift campaign.

Our aim is to make these children smile and help to make their birthday special through the generous donations of the local community. We believe no child should go without.

What is included:

Gifts tailored to the child's age and interests

Wrapping paper and sellotape for the family to wrap the gifts themselves

A blank birthday card for the family to complete

Birthday banner and balloons

Optional birthday cake
