

# SCIENCE - AFRICA

## Activity 1

### Odd one(s) out

Look at the pictures of the animals. Which one(s) do you think live in Africa? Which one(s) do not? How do you know?

Stick the pictures in your book and annotate.

You can print the pictures from

<https://merdon-junior-school.secure-primariesite.net/summer-2-week-4/>

These are the animals you have been given:

Marabou stork

Vulture

Lion

Tiger

Indian elephant

Rhino

Hippopotomus

South African penguin

Giraffe

Cheetah

Add each name to a picture.

Have your ideas about the odd one(s) out changed?

How?

Why? Explain in your book.

We are going to be looking at the different habitats in Africa.

What type of habitat is used in this film clip? (follow the link below). How many different animals can you name?

<http://www.viewpure.com/GibiNy4d4gc?start=0&end=0>

# The Savanna

## Activity 2

Use the information in the resources to find out about the savannah.

<https://merdon-junior-school.secure-primariesite.net/summer-2-week-4/>

(power point and notes to read)

Now test your knowledge of food chains using the following link

<https://www.bbc.co.uk/bitesize/topics/zbnnb9q/articles/z93vdxs>

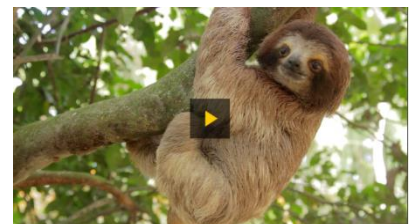

## Activity 3

What is this? Where is it?

<https://kids.nationalgeographic.com/explore/nature/habitats/rain-forest/#/1463363139525>

Read the information on the website about rainforests and watch the video

Read the 'Life in the rainforest' information sheet in resources <https://merdon-junior-school.secure-primariesite.net/summer-2-week-4/>

## Activity 4

What other habitat is found in Africa?

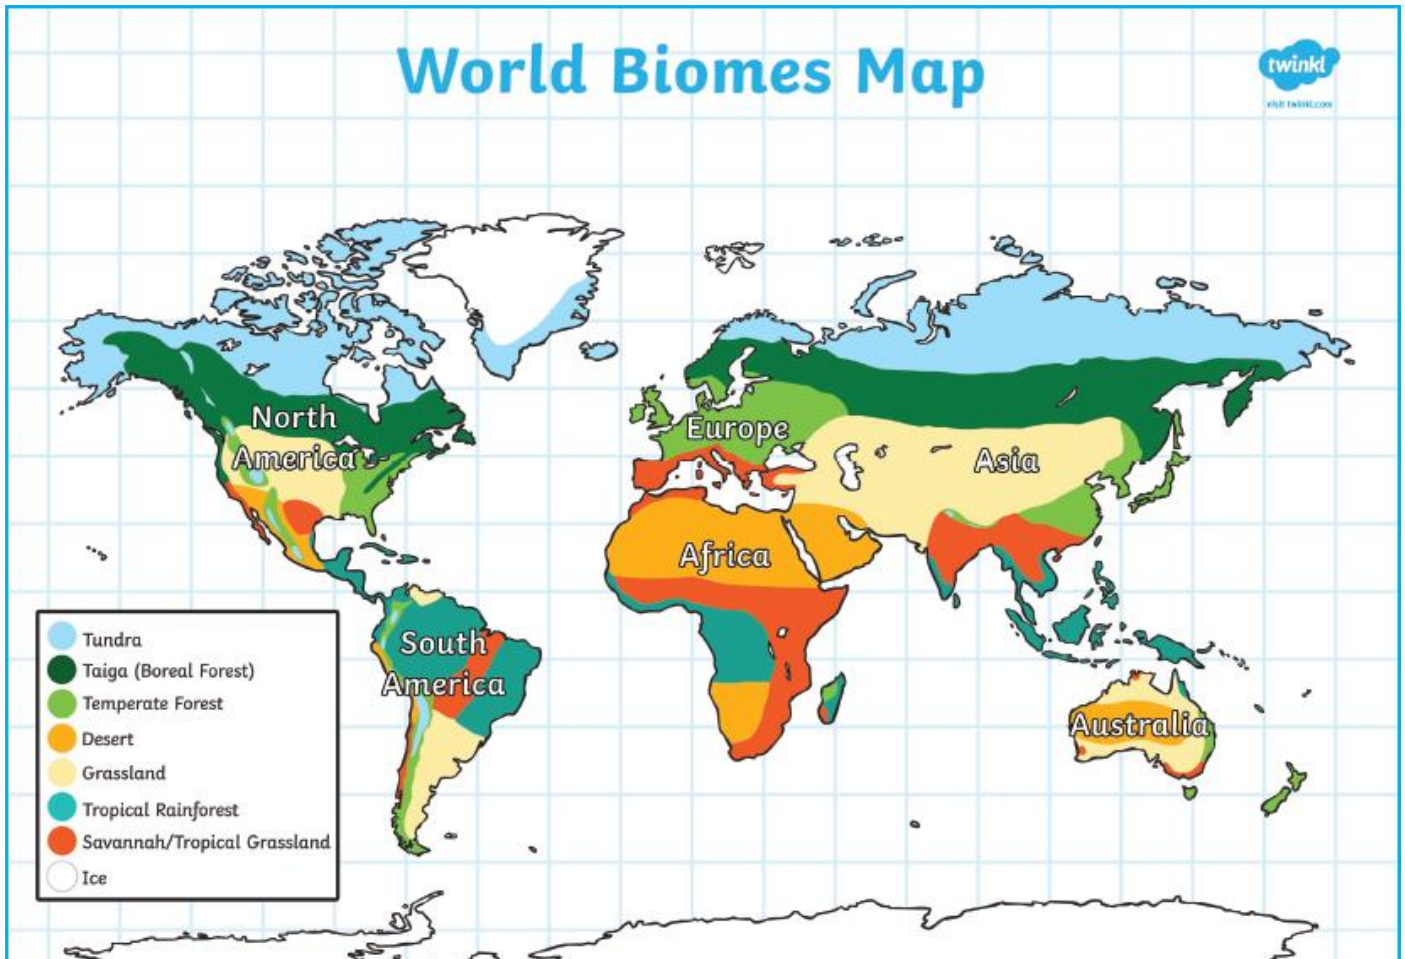

Watch this video at:

<https://kids.nationalgeographic.com/explore/nature/habitats/rain-forest/#/1249693251856>

## Activity 5

Using the world biome map below show the different habitats found in Africa – remember to use a key.

There is a blank map of Africa on the next page.
