

Happy Half Term, everyone!

Our fantastic ACT Award winners for this half term are:

- | | |
|-----------------------|-------------------|
| Goldfinch - Meha | Robin - Harry |
| Sunflower - Charlie C | Butterfly - Eliza |
| Dragonfly - George | Centipede - Tyler |
| Mushroom - Harry T | Clover - Wilf L |

You have all worked incredibly hard this half term, shown our ACT values at all times and been an excellent role model to your friends. Thank you for all your effort. We are very, very proud of you all.

- Butterfly - 96.7%
- Sunflower - 96.8%
- Centipede - 99.2%
- Dragonfly - 98.2%
- Mushroom - 96.5%
- Clover - 97.4%

One of our Year 6 pupil's U16 girls' ice-hockey team won their final game of the season, and finished at the top of the league. They are now champions of the South Division and will compete in the Nationals. We are incredibly proud of her achievement.

One of our Year 3 pupils received recognition in all categories at the Winchester Rugby Club U8s awards. Amazing!

Other Information

On 12th June we will have a visit from Kelly Simm, a Team GB gymnast. She will be talking to the children about her experiences in the World Championships and the Commonwealth Games. On the day, the children will be taking part in lots of fun physical activities and can get sponsorship to complete as many activities as they can. The more sponsorship they gain, the more prizes they win and additional PE resources for the school!

Thank you for all your support with our National Numeracy Day events, including dressing up. The children had a great day working on maths problems, art using shapes and outdoor activities. See our Instagram page for photos.

Our Learning this fortnight

Year 3

Year 3 looked amazing on their Roman Day! They spent the day experiencing what a day in Rome was like, including trying some of the food.

Year 4

Year 4 played shops as a hook into learning about money. They also made pulleys.

Stars of the Week!

Week beginning 11.5.26

Robin - Grace
Goldfinch - Callum
Butterfly - George
Sunflower - Sam
Centipede - Maisie
Dragonfly - Tom
Mushroom and Clover - all of Year 6 for their amazing effort in SATS, and a special Star of the Week for Charlie B

Year 5

Year 5 created food webs outside, looking at threats and acting out how they affect the rest of the food web. They have also created some excellent shields based on Andy Warhol where they used silk screen printing.

Year 6

Year 6 explored the relationship between circumference and diameter using cups, plates & string in class. They also learnt about Mayan maths and solved calculations using their base 20 system.

One of our Year 4s recently enjoyed her Bird of Prey experience for 4 that she won in the Merfest Raffle last summer, donated by Otterbourne Hides and Studio
